

# Colegio Escandinavo

Welcome again to our fun Summerschool, which will take place from June 24 to July 12, 2019.

## GARAGE BAND

**From Åk 7/Year 8/1º ESO (12 years old, born in 2007) up to 16 years old.** The children will have their own rehearsal area, and being the oldest they will have access to the instruments as if they were rehearsing with their own rock group. Jocke will be responsible for this section. The weekly visit will be to a recording studio in San Sebastián de los Reyes. The children who eat lunch from school will get a picnic bag that day.

## CAMP ROCK

**In English and Swedish for children from 7 to 11 years old (born 2012),** where in addition to daily music workshops we will include sports, baking and as we did last year, a weekly visit to the San Sebastián de los Reyes climbing hall, where the instructors will teach us the basic climbing techniques (boulder and first contact with the wall), as well as orientation techniques and pool games. The children who eat lunch from school will get a picnic bag that day. The third week the Camp Rock students will change classrooms and will do the same activities as the Garage Band did, although adapted to their age and with constant adult supervision. The bus visit to the recording studio is also included the third week.

## SUMMER CAMP - PRESCHOOL

**In English and Swedish for children of 2 (as long as they are already students in our school - and from 4 if they come from outside) to 6 years olds (born in 2013).** The children will do many activities: cooking, crafts, sports activities and outdoor games.... This year there will be a third classroom for toddlers who still need a nap, diapers, etc.

All access will take place through the ramp on the hill, at the back of the school. In that way we have the whole hill and forest available for our games, with sandpit and swings. The facilities will be adapted for the smallest ones. All teachers and assistants speak at least two or three languages.
